It aims to enthuse local Christians in their love for Jesus, enable the local Church to reach out into the community and seeks to establish evangelism as an ongoing aspect of Church life. As a charitable trust, the Damascus Trust relies on gifts and donations. All gifts from those paying tax can benefit the Trust by using Gift Aid for both one-off or regular donations. SUPPORT A PASTOR

BUILDING THE CHURCH ABROAD

THE DAMASCUS TRUST

Support A Pastor is about enabling those the Lord has called to take the gospel of Jesus into the remote towns and villages of developing countries.

Since 2001 Damascus Trust has been involved in providing training and support for pastors abroad. We ensure that basic but sufficient Bible-based training is given to all pastors and that ongoing oversight and assessment is provided.

We are working with three Christian Partner Organisations. **Christian Renewal Church** and **Plenty To Share Ministry**, are both in Andhra Pradesh, India, whilst the **Episcopal Diocese of Byumba** is in Rwanda.

In India 80% of the population live in rural towns and villages. Yet 90% of Christian work is based in the cities with many small towns and villages untouched by the gospel of Jesus Christ.

Pastors working with both **CRC** and **PTSM** are serving the Lord in some of the poorest villages. New Churches are established and many are baptised into Christ as

the gospel is preached and healings take place.

In Rwanda, many pastors in the **Diocese of Byumba** struggle to survive but rejoice in the work the Lord has called them to do. Our support enables these pastors to get on with their ministry without financial worries.

As part of our ongoing support for the pastors and as funds allow we provide **Bikes for Pastors** as well as **Study Books**. We also run annual teaching conferences for pastors and their wives. Each one runs for three days and several hundred pastors attend each year.

With your support this work can grow. Through **Support A Pastor**, individuals, house groups and church fellowships are able to have a direct link with one of these pastors through regular financial and prayer support.

All your donation goes to helping the pastors abroad. Any tax recovered through Gift Aid will help cover our administrative costs and also go into our general fund to be used wherever it is needed..

What does it cost?

Between £25 - £40 per month will provide full or part support for a pastor and his family, depending on the country and level of support given. Any gift can be designated for our SAP programme, though regular contributions need to be at least £10 per month.

How is the money distributed?

Regular support (usually monthly) is given to Damascus Trust who then pass it on to our Christian Partner Organisation to cover all the pastors that we support. Our CPO then distribute the money to each named pastor as well as putting a contribution (10%) into a Pastor's emergency fund that covers medical treatment and other unforeseen needs.

What information is provided about the pastors?

Regular supporters are sent a profile sheet of the pastor they support, his family and the

Bikes for pastors - ready for distribution

area in which he is serving. A photo of the pastor is included.

What news is received by supporters?

A quarterly update report is sent out to all donors providing news and prayer requests.

Can supporters write to pastors?

Yes. We will provide guidelines as well as a sample letter. All correspondence needs to go through Damascus Trust who will send it out to our partners for translation and distribution.

What is the minimum period for supporting a pastor?

Support for a pastor needs to be for a minimum of one year. This is best done by standing order to Damascus Trust.

If you would like to be part of this work then please complete the form overleaf. We will then be in touch with further details.
